

# photo books

Photo Books from Diversified Lab offer a modern look, at a lower cost. These books were created with the purpose of having a lay flat album (similar to the Gemstone albums) but with less options and a greater savings for you. Your images will be showcased with the highest quality lay-flat thick seamless pages, made from award winning Fuji professional grade photographic paper. Handmade photo wrap covers will look flawless after each detail has been inspected by our expert team. Strong binding is attractive and supports numerous pages, and our in house assembly allows for super quick turnaround!

- Minimum of 7 spreads or 14 sides and a maximum of 30 spreads or 60 sides per book
- Photo books can start with a single page or a spread
- All covers are wrapped around masonite providing a heavier, more substantial album
- Durable 1mm pages
- Available with a Canvas, Linen Fabric, or Photo Wrap cover
- One spread equals two sides
- Available only through the Digital Link
- Qualifies for free UPS ground
